FOR IMMEDIATE RELEASE

TBRHSC Enteric Outbreak Over

Thunder Bay. TBRHSC is reporting that the Enteric Outbreak (symptoms of nausea, vomiting and diarrhea) on 2A is now over. Visitor restrictions have been lifted but the regular visiting policy of two visitors per patient is still in effect.

Thank you to the staff members from 2A, Housekeeping and Infection Control.

The Health Sciences Centre is reminding visitors to stay home if you are unwell. The public are reminded that hand washing with soap and water or using an alcohol-based hand rub is the best defense to prevent the spread of infection.

Thunder Bay Regional Health Sciences Centre thanks the community for its co-operation.
