

Cancer Patient and Family Orientation

Regional Cancer Care and the Canadian Cancer Society offer a free orientation session for cancer centre patients and their families.

We encourage you to attend orientation before your first appointment at the cancer centre (if scheduling permits) or you are welcome to attend any time during treatment. Family members will benefit by attending the orientation also.

The orientation session is 1 hour and you will:

- receive a free patient orientation kit
- learn about cancer services and resources
- briefly tour the cancer centre

**Cancer patient and family orientation is offered
Monday through Friday at specific times.**

Registration required.

**Please call Rob for more information
(807) 684-7797**

Location:

**3rd Floor Cancer Centre Reception,
Thunder Bay Regional Health Sciences Centre**
